**Dear State Employee:**

We are delighted to let you know that the 2006 Commonwealth of Massachusetts Employee Charitable Campaign is well underway! If you have Internet access, you can log on to [www.comecc.net](http://www.comecc.net) to get information and make a donation online. Or you can browse through the new COMECC brochures that have been distributed in all state offices and fill out a paper pledge form. If you didn't get our materials, please check with the COMECC Keyperson in your area or call Duke Hutchinson at 617-348-6228. The campaign will run through December 15.

A payroll deduction of just one dollar a week or \$52 a year – less than the cost of one cup of coffee – can provide critical support to at-risk children and families, help restore our rivers and wetlands, contribute to important health research and so much more. Whatever you can give is greatly appreciated.

State employee generosity over many years has been truly remarkable. This year over 1200 charitable organizations will benefit from your generous donations to COMECC. They need your help more than ever. Your donation will make a difference.

Thank you,

Ruth N. Bramson
